# Ken Newberry, AIA, LEED AP Newberry Campa Architects, L.L.C.

Ken Newberry is the founding Principal in Newberry Campa Architects, LLC. Recognized for his progressive use of traditional and modern construction materials in both new construction and remodeling projects, Ken's work includes custom residential, commercial, restaurant and retail projects. Before establishing his own design firm, Ken was a Principal with Eubanks/Bohn Associates in Houston. During his 14 years there, he served as the firm's General Manager and Project Manager for large projects. Ken began his design career while still in college, working as a draftsman at Neuhaus Associates. He was promoted to Project Manager shortly after graduation and worked as an Associate at Neuhaus for three years. Ken holds a Bachelor of Architecture degree from the University of Houston and attended the University of Rome in Florence and Rome, Italy. He is a licensed architect in the states of Texas, Colorado, Florida and Virginia. He is also a LEED Accredited Professional for New Construction with the US Green Building Council. Ken is a founding board member of Starfish Kenya and served on the Executive Board for AIDS Foundation Houston over 10 years. He is a founding member of the Boys to Men Texas Chapter and helped bring their mentoring program to Texas. He is also a member of the Greater Houston Preservation Alliance, and the Houston Heights Association. Ken is extremely active in Starfish Kenya. He continues to travel to Kenya and the firm is responsible for the design of all buildings and facilities at the House of Hope Orphanages. Please see the "Passionate About" page for more details about this organization and its plans to have enough beds for 200 orphaned children. Ken co-chaired the 2011 AIDS Foundation Houston AIDS Day Luncheon.
